Comments

Turnover represents overwhemingly part of sugar proceeds for Crop 2012 and revenue from sales of land of previously launched agricultural morcellement projects.

The company launched Domaine Deux Bras and Domaine Ile d'Ambre (both agricultural morcellement projects) in June 2012. Reservations are ongoing from both agricultural morcellement projects and revenue would be recognised in the forthcoming quarters upon finalisation of deeds of sale.

Future prospects

The company's associate, SIT Property Development Ltd, is presently implementing its mixed/integrated property development project "Aurea - Living Harmony" over 259 Arpents of land at Cote d'Or.

The first and second phases of the project consisted of reservations/sales of some 600 serviced land plots and all the plots have been sold-out. The third phase of the project includes apartments and duplexes which the company would start marketing during the year. The results of the Aurea project would be reflected in the results of SIT Land Holdings in the forthcoming financial years.
